BESSEY Tools North America Woodworking: Pipe Clamps

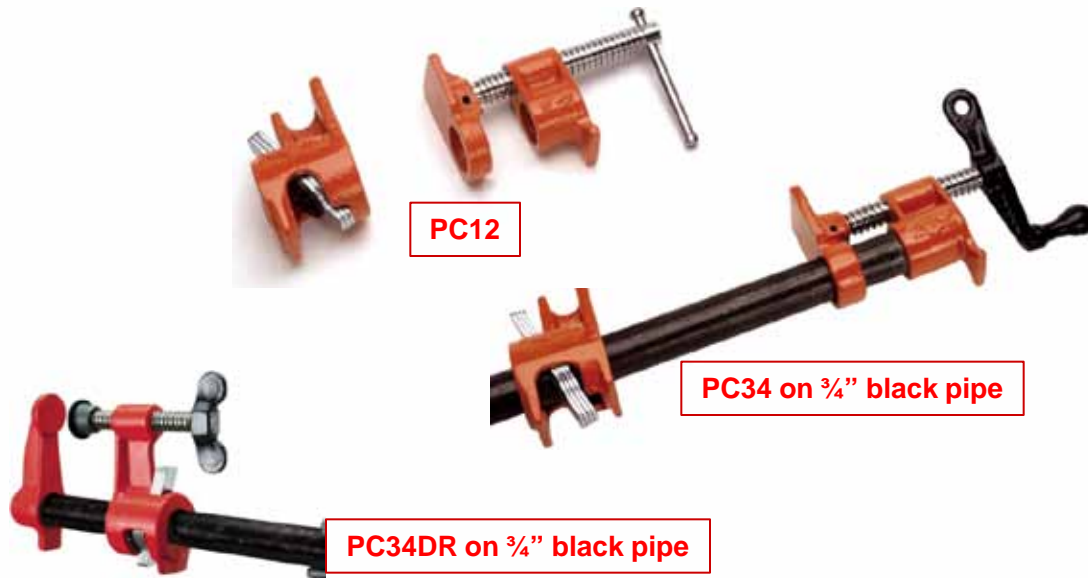

Woodworking: Pipe Clamps

Simply better.

Bessey Traditional Style Clamp Fixtures

- q PC12 made for use with 1/2" pipe
- q PC34 & PC34-DR made for use with 3/4" pipe

Special notes

1. Naming convention for standard black pipe is based on the nominal ID.
2. Pipe not included.

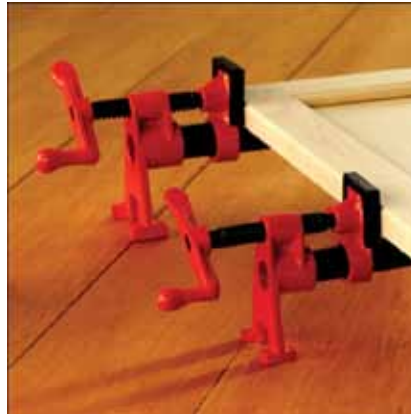

Woodworking: Pipe Clamps

Simply better.

The BESSEY® "H" Series

- q The "H" shaped foot assembly stabilizes the clamp in two dimensions giving dual-axis stability to the work piece
- q Extra high base provides hand clearance from the work surface
- q Large cast jaws with soft protective caps
- q BPC-H12 for ½" pipe
- q BPC-H34 for ¾" pipe

Special notes

1. Naming convention for standard black pipe is based on the nominal ID.
2. Pipe not included.
