

## FOR IMMEDIATE RELEASE

### **BESSEY® introduces the *New K Body® REVO™***

**Built bigger, better and stronger for woodworkers who want the best!**

**August 1, 2008** - The industry leading parallel clamp just got better. Introducing the most powerful and versatile parallel clamp you can buy, the K Body® REVO™. BESSEY® has taken the best features of the classic K Body®, a favorite among serious woodworkers for over 30 years, and added many upgrades and features to create the innovative K Body® REVO™.

The K Body® REVO™ offers a 30% increase in clamping surface, 1500 lbs of clamping force, a larger comfort grip handle, precise parallel clamping and the ability to quickly convert to a spreader.

Your benefits at a glance:

- 1. Legendary parallel clamping surface**
- 2. Rail protection pieces and with jaw protection caps to protect your work**
- 3. New larger, more comfortable handle**
- 4. Industry leading clamping force capabilities**

BESSEY® has been a market leader in clamps since 1936. As the largest clamp manufacturer in the world, BESSEY® distributes over 1300 different clamping tools in 90 countries worldwide. Under its Erdi brand, BESSEY® is also recognized as a trade leader in cutting tools and snips throughout Western Europe and now offers that technology to the North American market through BESSEY® Tools North America.
