# Flooring tools

**NEW**

## AV2 Spacer

For laying solid wood, and laminate flooring without any wedges. Insert between the wall and the first row of flooring. Use the NEW BESSEY® Floor Spacer for a fast and simple set up.

### Features and benefits at a glance:

#### 1 Clever dial

Set-up is fast and simple. Insert between the wall and the first row of flooring, the distance to the wall can be set by turning the red dial. To remove, just rotate the dial to release the pressure.

#### 2 Wide contact and support surface

Simply put, the pressure points on the wall and the flooring are avoided. There is no danger of the aid slipping or tilting – as can happen with wedges or blocks.

#### 3. Exact millimetre scale

Wall surface irregularities of 5 to 20 mm can be compensated for easily. The exact distance required for spacing can be readily seen on the millimetre scale.

#### 4. "Robust" in the size of a business card

Manufactured from impact and break resistant, glass fibre reinforced polyamide, the spacer is light and tough and will last for years.

## AV2 Spacer (Set of 4)

Insert between the wall and the first row of flooring. Adjustable to compensate for wall irregularities and removal is a quick turn of the dial to release pressure.

BESSEY® Product #	Opening Range	Jaw Width	Approx. Weight
AV2	5-20 mm	89 mm	0.44 lbs

PVA

## Flooring Clamps

Insert the PVA between the wall and the first row of flooring. Adjustable to compensate for wall irregularities and removal is a quick turn of the handle to release pressure. PVZ65 is a compression tool, ideal for compressing the first 3 rows of flooring prior to glue or mounting.

BESSEY® Product #	Opening Range	Jaw Width	Approx. Weight
PVA	30 mm	130 mm	1.03 lbs
PVZ65	650 mm	130 mm	5.72 lbs

PVZ

## Flooring Strap Clamps (SVH)

Perfect for laying parquet, plank hardwood, laminate and other tongue and groove flooring. Ratchet draws new row of flooring so it can be nailed securely. Strap is 157" long. Clamping force of 220 lbs.

BESSEY® Product #	Strap Length	Clamp Plate Width	Approx. Weight
SVH400 <b>NEW</b>	157"	4-3/4"	1.65 lbs
SVH400XL	300"	4-3/4"	1.80 lbs

DIY Kit

PRO Kit
