

## FOR IMMEDIATE RELEASE

### **BESSEY® introduces the *New EZS One Hand Clamp* Built bigger, better and stronger for woodworkers who want the best!**

**May 1, 2009** – Starting August 2009, BESSEY® Tools' tradition of innovation and quality continues with the introduction of the BESSEY® EZS One Hand Clamp. This clamp has been designed from the very beginning to offer high-end clamping force in a user-friendly construction and, to do so at standard clamp prices.

The EZS One Hand Clamp by BESSEY® offers a revitalized approach to the one-hand clamp market. What makes it so new and fresh is that it has been engineered from the start to offer clean design lines, comfortable handles, 445 lbs of clamp force, the ability to transition smoothly from clamping to spreading and ...at a strength-to-weight ratio that is arguably the best in the market.

Your benefits at a glance:

- 1. High strength at an everyday great price – Terrific value**
- 2. Clamp lengths from 6 In. to 36 In. – Choices**
- 3. Large & comfortable handles plus light weight – Ergonomically friendly**
- 4. Clamps and spreads – Flexibility in the work place**

BESSEY® has been a market leader in clamps since 1936. If you know clamps, you know BESSEY®. You know our reputation for quality and reliability, you know we're 130 years of German engineering backed by the strength of our product and our reputation. BESSEY®. Simply better.
