Additional BESSEY One Hand Clamps

□ EZ and EZS

2 Throat depth to the very edge

While all other clamps measure throat depth to the centre of the pad, EZ and EZS extend throat depth right to the outside edge of the pads – power spread across the entire pad!

1 Powerful technology

Single-handed clamping and spreading of workpieces with up to 445 lb clamping force.

3 Soft pressure caps

Soft pressure caps optimize material protection and secure clamping

4 Intelligent release mechanism

The upper section can quickly convert from clamping to spreading without tools.

5 Steel bar

Steel bar for the strength you expect from BESSEY.

6 Handle behind the rail

The ergonomically shaped 2-component plastic handle with pump lever positioned behind the rail, enabling a powerful grip.
